# WHAT HAS HAPPENED

01

## **LANDSCAPING AT THE BRANCHES**

For the third year in a row, our branches have had professional landscaping done. This work has really enhanced their appearance and created a more inviting look for our libraries. Stop by and take a look!

02

## **SPRINGSHARE LIVE ON THE WEBSITE**

We went live with our new events calendar for Central and the branches at the beginning of the month! LibCal by Springshare is a vast improvement on our old Evanced calendar, with a more user-friendly interface and a easy to use option for program registration.

03

## **JUNE PRIMARIES POLLING AND EARLY VOTING**

Another successful round of voting was completed at our five polling branches (including Central!) Beauchamp was once again an early voting site and a polling location, with Mundy, White, Hazard and Central joining them on June 25th.

# WHAT I'M LOOKING FORWARD TO

01

## **NEXT PHASE OF STRATEGIC PLAN**

I'm looking forward to participating in the next phase of our strategic planning process. Interviews have begun and focus groups are being assembled. I'm excited to start gathering more in-depth insights and feedback from our stakeholders to ensure our strategies align with their needs and expectations.

02

## **BADGE ACCESS AT BETTS, HAZARD AND SOULE**

Johnson Controls continues to progress with our badge access project. The staff at Beauchamp can now officially use their County IDs to enter the library! It's a big step forward for security and staff usability. I'm excited to bring three new branches on board this month.

03

## **NEW SECURITY CAMERA SERVER AT SOULE**

We are upgrading the security camera server at Soule shortly. I'm excited to have the increased functionality that will bring. This is the next step of our phased approach to upgrading all the branch's camera systems through the coming years.

# FUN ANECDOTE

🎉 Drumroll, please! 🎉

☀️ Introducing our brand-new Badge Access! ☀️

Unlocking doors (literally) and hearts (figuratively) around here. Get ready to badge your way to convenience, access, and a dash of mystery (because who doesn't love a good badge reveal?)

Stay tuned for more updates on how you can become the badge-wielding hero of our workplace! 🧑‍💼🔑
