Public Participation at OCPL Board of Trustees Meetings

The purpose of OCPL Board meetings is to enable the Board to effectively and efficiently manage the affairs of the library. However, the Board values public opinion, and it is the Board's policy to allow for public comment at its regularly scheduled meetings (<https://www.onlib.org/learn/about-ocpl/board-trustees>) according to the following procedure.

Persons who wish to speak will indicate this by submitting the Intent to Speak form at least 24 hours before an OCPL Board meeting. Any submissions made less than 24 hours may be accepted at the discretion of the Board President. The form includes name, organization (if any), address, phone # and topic to be addressed. The form is available on the library's website or by calling 315.435.1900 and may be returned electronically to board@onlib.org or by mail to Board of Trustees, Onondaga County Public Library 447 South Salina St Syracuse, NY 13202.

Generally, each person speaking may take up to a maximum of three minutes. Written comments may be submitted for more complex or lengthy topics.

During Public Comment speakers may express their opinions on the affairs of the library. However, speakers should refrain from making public comments that are critical of specific library staff members. Complaints about a particular individual are addressed to the library's executive director (director@onlib.org) or the Board president (board@onlib.org).

The president of the Board and/or the executive director may address comments and concerns raised in Public Comment if it is appropriate to do so. At times, the Board president or executive director may need to gather information or take certain issues under advisement and will respond to the speaker at a later specified time.
